

“Pick 3 Double Draw” Promotion
Rules and Regulations

Purpose

The North Carolina Education Lottery (“NCEL”) is conducting a promotion to provide purchasers of Pick 3 draw tickets two chances to win prizes every Evening drawing during the month of March 2023. This promotion will run in all selling channels (retail and online).

Promotion Period

This promotion will run during Pick 3 Evening drawings held Friday March 1, 2024 thru Sunday March 31, 2024. These dates are subject to change at the sole discretion of the NCEL (the “Promotion Period”).

Promotion Execution

At the beginning of the promotion period, the drawing staff will load six (6) white balls (each a “White Ball”) and one (1) yellow ball (the “Yellow Ball”) into a designated ball machine (the “Double Draw Ball Machine”).

Prior to the start of every regularly scheduled Pick 3 Evening drawing during the Promotion Period, the drawing staff will select a single ball from the Double Draw Ball Machine.

If the Yellow Ball is drawn from the Double Draw Ball Machine, the NCEL will conduct two (2) Pick 3 drawings that evening. Three random numbers between 0 and 9 will be included in both drawings along with a separate distinct Fireball number between 0 and 9 for each to the two (2) drawings exclusively. Eligible tickets may win a prize on both sets of Pick 3 numbers with Fireball. After a Yellow Ball is drawn, the Double Draw Ball Machine will be reset and will contain six (6) White Balls and the one (1) Yellow ball.

If a White Ball is drawn from the Double Draw Ball Machine, the NCEL will only conduct the regular Pick 3 drawing with Fireball that evening and the Double Draw ball machine for the following evening will begin with five (5) White Balls and one (1) Yellow Ball. A draw down process of removing a White Ball each time it is drawn will repeat until the Yellow Ball is drawn. Once the Yellow Ball is drawn the process starts over until the end of the Promotion Period.

The maximum number of Double Draws that may occur during this promotion is thirty-one drawings. One Double Draw is guaranteed to occur at least every seven days.

1. This promotion will operate throughout the Promotion Period during the evening Pick 3 drawings only and not during the daytime Pick 3 drawings.
